Dr. Charlie Jean Salter's Scholarship | Application 2022-2023

In Memory of Dr. Charlie Jean Salter

Dr. Charlie Jean Shepherd Salter was born and raised in Orlando, Florida on July 2, 1928. After graduating Jones High School in 1946 she attended Alabama State University in historic Montgomery Alabama where she received her B.S. degree in Biology in 1950. While at ASU she played basketball and joined the varsity team in her freshman year and later became captain of the squad in her junior and senior year. She married her husband after graduation and she taught in Escambia County Training School (Atmore, Alabama) for 4 years. After returning to Florida she spent 15 years in Orange County Florida Public Schools system where she taught at: Charles R. Drew High School Winter Garden, FL and Memorial Junior High School Orlando, FL. During this time she attended Florida A & M University, Tallahassee, Florida where she received her graduate degree in education in 1961. In 1967 she received her Masters of Science degree in Biology from Southern University, Baton Rouge, Louisiana. Dr. Charlie Jean Salter later began the pursuit of her doctorate degree. She received her Ed.D in Education from Nova University Fort Lauderdale, Florida in 1979.

The remainder of her professional life (20 years) was spent while teaching at Valencia College, she conducted research there which resulted in her developing an innovative program in the Biology department that was being used at the college. She authored the Biology Laboratory Manual which was published by the Hunter Publishing Company, Winston-Salem N.C. After retirement in 1992, Dr. Salter fully devoted her time to her community by being a servant leader and business owner of several rental properties. She worked diligently in the efforts to increase voter registration and participation within her community. She approached all challenges in earnest pursuit. She boldly tackled problems and she did it effortlessly. She loved her fellow neighbors and for the city at large. Dr. Salter felt that a great community depends upon its people.

Dr. Salter was a proud member of the Epsilon Epsilon Zeta Chapter of Zeta Phi Beta Sorority, Inc.
